I hope everyone is enjoying their summer! The school year is right around the corner and I will be your child's third/fourth grade teacher. My name is Mr. Hagler, and I look forward to meeting and teaching your child this upcoming year. My goal is to have every student reach their full potential through a variety of different learning activities throughout the year. I think it is important for parents to be able to communicate with me. So feel free to e-mail, call, or text me! Thanks for your cooperation, and I look forward to an exciting and fun school year!

About Mr. Hagler

My name is Mr. Hagler, and I am originally from Cando, ND.

I graduated from North Star High School in 2013. I attended the University of Jamestown where I played basketball and pursued my Elementary Education degree.

My parents still live in Cando, where my mom works at First State Bank of Cando

,and my dad is the superintendent at North Star. I have two sisters.

Sarah (23) is attending graduate school in Omaha, NE. Danielle (16) is a junior at North Star High School. One thing my students pick up on quickly is that I am a huge Packers fan. So the last few

years I have seen many Vikings jerseys, I am hoping this year I get to see more green and yellow! I look forward to seeing everyone back at school!

This will be the list of supplies that your child will need for the 3rd and 4th grade.
