

Welcome Back!

I hope you have had an awesome summer vacation and were able to do something fun! I really haven't done much this summer as traveling about just wasn't quite as easy as it was a year ago!

I am excited to be back to school and working in the classroom again! This year will be full of fun and exciting learning, I can't wait for everyone to be back together at school again!

Enjoy the rest of your summer vacation and see you soon!

- Mr. Nybo
